

Hunger Never Takes A Vacation

There are many people here in Somerset County,
including children, who go to bed hungry!

You Can Help Curb Hunger!

Look for the **BRIGHT-ORANGE PLASTIC CURBING HUNGER BAG** tied to your blue recycling bucket.

Or, you can use a regular plastic bag and write the word **"FOOD"** on it.

From **JUNE 6 - JULY 1**, on your recycling pick-up day, please put **CANNED FOOD** into the bag and put it **AT THE CURB**, next to your recycling bucket.

**The orange bags will be collected
JUNE 6 - JULY 1, 2011**

Food Supplies Are Dangerously Low During The Summer Months
