Qualifications for Sworn Law Enforcement Positions: In an effort to match the community we serve, extra consideration is given to candidates who are fluent in the Spanish language. This position is open to all that meet the mandatory qualifications with a preference given to applicants that are New Jersey Police Training Commission Certified. Preference means we interview them first and only look at other resumes if we do not have at least 8 PTC certified applicants. Next, we consider SLEO II certified applicants. If we still do not have 8 PTC certified people we will look at the traditional route of hiring and sending the person to the police academy. Through our accredited training methods and current hiring practices, we hope to increase minority officers within our roster.
