WE ARE INVESTING \$160,000 IN NORTH PLAINFIELD

Main Installation Project to Start Soon

New Jersey American Water is preparing to install approximately 870 feet of new 8-inch ductile iron main along **Parkview Avenue** (from Albert Street to Rockview Avenue). These improvements should enhance water service reliability and water flows for household consumption and fire fighting.

Project Start/End and Work Hours

New Jersey American Water's contractor, Montana Construction, will begin work on or about March 22. Work hours will be from 7 a.m. – 5 p.m., Monday through Friday. Work on weekends and evenings is not expected unless required to maintain project schedule. Weather permitting, the project will be completed by the end of June. Final paving and restoration will be completed in the fall of 2017.

Traffic and Accessibility

Sections of street where the construction is taking place may be closed during work hours. All traffic control will be coordinated with local police. Motorists should use caution, obey traffic signs and follow any detour routes when driving in the area.

Noise

Our contractor will take measures to minimize noise levels; however, there will be some unavoidable noise associated with this project. We appreciate your understanding of any inconvenience that this may cause.

Site Maintenance

The project site will be maintained and cleaned each day before contractors have completed work.

03-2017

Quality, care and value delivered in every drop.
