Friends of the North Plainfield
Memorial Library
Mini-Golf Fundraiser

We are looking for sponsors for our fundraising event. Friends of the Library helps to provide additional services and programs that further the goals of the North Plainfield Memorial Library. In the past, our organization has sponsored META Theater workshop for middle school students, FIRST Lego League Jr. Expo, and a yearly summer reading block party. This event will be advertised locally in order to bring in the largest level of participation and to create the widest range of reach to the local community. Your support is greatly appreciated! Here are the benefits at each sponsor level:

Hole Sponsor (holes 2-8):

Sign at sponsored hole, ability to decorate hole (no permanent alterations, subject to approval), 2 individual tickets to event, space for flyer or other advertising on a shared table with other hole sponsors, listed with other hole sponsors on library monitors

First & Last Hole:

Same as hole sponsor, except 1 group ticket (equiv. to 4 individual), and shared space (half table each) at a separate table from hole sponsors

Title Sponsor:

A dedicated table at event for advertising, 2 group tickets (8 individual), logo or ad on library monitors, named as sponsor in any advertising of the event.

We are a 501(c)(3) organization. Questions? Please email: friendsofnpml@gmail.com
