

Census Job Recruitment Events Planned...

The Census Bureau's mission is to serve as the leading source of quality data about the nation's people and economy. This year's 2020 Census will be a key vehicle to make that mission a reality.

As the bureau works to get out the message that every community member should fill out their census form in April and beyond, the agency is continuing to increase the number of census takers to get the job done. Applications are being taken now at www.2020census.gov/jobs.

In addition, there are also several in-person, free recruitment events planned in the upcoming weeks that Central Jersey residents are invited to attend.
